

I am about to do something new

Don't remember the former things; don't dwell on things past. Look, I am about to do something new; even now it is coming. Do you not see it? Indeed, I will make a way in the wilderness, rivers in the desert.

(Isaiah 43:18,19)

P.R.R. has a long history of 27 years with God – successes, joys, and wonders He performed and lots of moments of uncertainty or disappointment. We got here only by His grace and goodness, according to His promise to be with us, care for us, be a Father to the fatherless and be our strength and inspiration.

P.R.R. is crossing now another transition period, many things are changing, but His Word never changes, and His promises will be an anchor for our souls. It is happening now. And we'll share it with you step by step.

“CASA BENJAMIN” BOYS' GROUP HOME becomes “CASA SPERANȚA” DAY CENTER

The license for the Boys Group Home expired on the 23.05.2024, and the boys reached the end of their program in PRR and also graduated their vocational schools.

They are still living in Casa Benjamin til mid-July and we'll continue to help them find good rents and jobs and monitor them for at least six months after their reintegration into society.

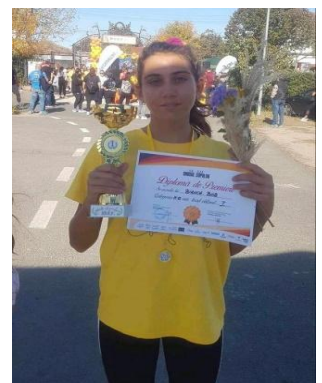

Seeing the growing need for assisting the children to remain in their families and not drop school, the board decided not to continue the residential activity, but to launch a new afterschool program in the same building we have in Murfatlar town.

We are grateful for the years in which you supported our vision of assisting our residential boys finish their studies, and become independent men. Now, this chapter is almost over and we want to continue investing the money God sends us through faithful people to assist children and teenagers by providing an excellent after school program.

„CASA ELLEN” DAY CENTER IN CONSTANȚA

☺ We had the honor to be visited by the ambassador of Holland in Romania! ☺ It's a blessing to have volunteer Dutch students helping our children with all sorts of interactive games, sports activities, practicing their English, use more effectively the menus in their mobile phones, the applications available, better navigate on the internet etc. ☺ Four of the center's children practice performance sports by participating in regular training and sports competitions, getting top prizes.

FAMILIES IN NEED

The needs are still there, even greater – we continued our ministry by providing the bare necessities for families in Ciocârlia, Poarta Albă, Babadag, Siliștea, Bărăganu, and Tortoman villages. We also shared the Gospel with them, and gave them Bibles and New Testaments.

UKRAINE

Monthly, we went on missionary trips to Ukraine with all sorts of aids for the affected families. For a greater effect, we kept in touch with the leaders of the local churches there all along.

We want all our actions to be well targeted and to be of real use where the need is greater.

„CASA SPERANȚA” DAY CENTER IN CIOCÂRLIA

With God’s help we managed to fence the property, plant 100 donated fruit trees, and connect the property to electricity and running water. All the documentation for the construction project has been submitted, so now we are waiting for the building permit.

SPECIAL PRAYER NEEDS

- Protection and favour for the following periods in which we’ll be running summer camps: **15-19 July** in Fiționesti, Vrancea County; **8-13 July** and **15-20 July** two camps in Ismail, Ukraine, run in cooperation with the local church “Schinia” for the refugee children and the local children.
- Gratitude for the success of the camp in Șimon – Bran; Brașov County (01-06 July)
- Grace for the souls of the children who will be hearing the Gospel during the summer camps, may they receive the gift of eternal life and be a blessing to their families
- **“Casa Benjamin” Boys’ Group Home** – the successful reintegration into society of the three boys.
- **“Casa Speranța” Day Center in Murfatlar** – continuation of steps for its reopening – obtaining authorizations, training the team, practical preparations for the property.
- Favour during this new process of getting the licenses for the new centers, as we want to function by the legal standards, the law being more and more restrictive.

We express our gratitude before God for all our partners who are with us through their prayers, financially, practically, and through visits to our areas of work. We really need each one of you, and ask you, in Jesus’ Name, to continue to think and pray for us and give a hand when you feel prompted. We need you and pray for your blessing and happiness.

Our appreciation and gratitude go to our teams (both employees and volunteers) in every area of work, who are on the first line, make many sacrifices in order to care for the assisted children and families. Because they understood their calling, they play their part in the Body of Christ, despite their health issues, and all sorts of challenges. We need them and pray for their health and peace.

And those the Lord has rescued will return. They will enter Zion with singing; everlasting joy will crown their heads. Gladness and joy will overtake them, and sorrow and sighing will flee away. Isaiah 35:10

Many people have said they want to take up the 'little and often' challenge, where a dollar or euro or pound each week can make a huge difference to the work, so
