

## **"PRR Information Letter October-December 2024"**

For I was hungry and you gave me something to eat, I was thirsty and you gave me something to drink, I was a stranger and you invited me in  
(Matthew 25:35)

On behalf of the Project Romania Rescue Foundation, we would like to inform you about our activities dedicated to supporting children and families in need. Our mission is clear: to contribute to the harmonious development of children through day centers that provide education, care, and ongoing support. Additionally, we are actively involved in supporting vulnerable families by offering assistance in the form of food donations to ease their daily burden.

We invite you to learn more about our projects and the impact they have on the community, confident that through collaboration, we can bring real benefits to those who are in greatest need of support.

### **CENTRUL DE ZI „CASA ELLEN” DIN CONSTANȚA**

Events are not missing in this center, children are eager to come day after day to the program, enjoying together all that this center has to offer. During this period they have made visits to Călărași, have been guests of Bethel Church at the carol evening and have prepared all kinds of activities for Christmas.

## DAY CARE CENTRE “CASA SPERANȚA” IN CIOCÂRLIA

We prayed to be able to start the foundation's construction as soon as possible, and we have faith in our Lord that He will provide the finances for the rest of the construction. We are delighted to see how God is working and answering prayers made with faith, so the foundation of the center is now complete.

## CHRISTMAS CELEBRATION IN THE P.R.R FAMILY

This year, we had the opportunity to gather with all at the Cultural House in Murfatlar, where we sang Christmas carols, recited verses, and celebrated the birth of the Jesus and the great goodness of God towards us in 2024.

### **SPECIAL PRAYER NEEDS**

- Obtaining permits – favor in the process of obtaining permits for the Hope Day Center in Murfatlar. We desire to operate according to all legal standards, but the law has become increasingly restrictive.
- The Hope Day Center in Ciocârlia – finances and workforce for completing this huge project.
- Grace for the souls of the children who hear the Gospel during the camps and all the activities we do with them, that they may receive the gift of eternal life and be a blessing to their families.

We thank God for all our partners who support us through their prayers, financial contributions, practical help or visits to our areas of work. Each one of you is essential to us, and in Jesus' name, we ask that you continue to think of us, pray for us and offer a helping hand when you feel the urge. We need your support and pray that God will bless you with happiness and peace.

We are also deeply grateful to our teams (staff and volunteers) in every area of our work, who are on the front line, making great sacrifices to care for the children and families we assist. They live out their calling with dedication, fulfilling their role in the Body of Christ, despite health problems and other challenges. We need them greatly and pray for their health and peace of mind.
