

EASY ONLINE TAX-DEDUCTIBLE GIVING TO PRR

Just go to <https://capitalchristianchurch.churchcenter.com/giving> then enter your contribution amount, and on the adjacent drop-down menu showing the default 'General', click on the little down-arrow on the right and select 'Romania' (5th down on the long list). A sub-heading will immediately confirm that the contribution is for Project Romanian Rescue – the church will send your entire gift to PRR (except for only 30 cents deducted for the debit card processing fee). Then please add your name and email address, so your contribution can be receipted to you, and type in your payment info on the next screen. If you'd like a hard-copy receipt in the mail, please add your postal mailing address when prompted. We would love it if you would take a moment to drop us an email at PRR@midco.net so we can be aware of your contribution and have the opportunity to express our thanks to you, and to confirm to you that your contribution in the amount you sent and mentioned in your email, was received in its entirety. We deeply appreciate your contribution and hope you would prayerfully consider giving on a monthly basis. You can set up an automatic contribution very easily and quickly online (and modify or discontinue it anytime), right on the above website for giving. Just below the amount and drop-down menu - there is a 'frequency' field drop-down, which shows a default of 'one-time'. It can be set for 'regularly', meaning automatic, and then for monthly, or weekly, etc. *Thank you ever so much*, and please do take a moment to drop us an email when you give.

May God bless you richly, and, where and how you need it the most!

Proverbs 19:17 tells us, *“Those who give to help the needy are actually lending it to the Lord, and He will repay you in full”*.
